//help file

Using Online Voting System, you can hold an election for various positions at your organisation and then the nominees can register themselves using the OrganisationNumber and can nominate for these position. The voter can register themselves using the OrganisationNumber and can vote to candidates standing in the election of their organization. The result of the election can be seen during as well as after the election. After login one see the schedule, nominees and result of election of their organisation.

**Steps:**

1. Open index.html(localhost:8080/VoteOnline/index.html)
2.
  - 2.1. **Either register** as a organization or candidate or voter  
(If registering only as an candidate or voter use OrganisationNo = 98765 or 79564 or 336745)
